**Leadership**

Leadership in Action is seeking student feedback for future pep assembly games. Our games are intended to be fun for all grade levels. We try to come up with new and exciting games that include both students and staff. If you have ideas for us, please leave them in our suggestion box outside the high school office. Serious ideas ONLY! We will not consider complaints. Instead, we are looking for positive suggestions that we could implement.

Thanks!

**Advice**

The trouble with school...besides all the homework, of course...is that you can't control the people who don't really "get" you. You've just got to try to make the best of it. But that doesn't mean you have to "fit in," or at least not in the way that people think. However, you shouldn't shut down or refuse to be friends with everyone who isn't like you. Instead, you've got to work on being comfortable and confident with who you are while ignoring all the haters.

Unity Day - Wednesday, October 22, 2014
Make it ORANGE and make it end! Unite against bullying! Sponsored by PACERS National Bullying Prevention Center since 2011. What are your true colors when it comes to bullying? If you care about safe and supportive schools and communities make your color ORANGE on Unity Day. That’s the day everyone can come together in schools, communities, and online and send one large ORANGE message of support, hope, and unity.

Get Involved
Go ORANGE

Wear ORANGE. It can be an orange T-shirt, tie, hat, wristband, socks, or even shoelaces. Show your support beyond the school wear ORANGE in the workplace, home and community.
